

ANOTHER WEST

Photos by Angelo Novi on the sets of Spaghetti Western

Curated by Franco La Polla and Cineteca di Bologna

Sergio Leone, Clint Eastwood, Henry Fonda, Eli Wallach, Charles Bronson, Claudia Cardinale and many other famous faces from classic Spaghetti Westerns, portrayed in 140 photos by one of the leading still photographers, Angelo Novi.

His perspectives – never banal, but elegant, profound and revelatory - capture daily life on set, together with the extraordinary nature of the production of films that invented a new way of looking at the West.

Images in the exhibition are grouped in sections. The following are the titles of each section and number of related photos.

1. On and off set	(26 photos)
2. The railroad	(10 photos)
3. Trades in the West	(12 photos)
4. Influences and similarities	(12 photos)
5. firearms	(14 photos)
6. crowd scenes	(7 photos)
7. children	(10 photos)
8. western motifs	(24 photos)
9. Portraits	(25 photos)

All images in the exhibition are taken from the Cineteca di Bologna Photo Archive.
